

# The Harveian

## **Term 2. 2019 – 2020.**

Dear Parents and Carers,

As Christmas approaches, our school community has once again proudly supported local charities with 50 hampers donated along with donations to the food bank and my thanks go to all who have donated and to the teaching staff involved in co-ordinating our Christmas charity appeal this year. The term is ending with our traditional events including the Carol Service at St Eanswythe's Church which is always a lovely event and of course the staff versus prefects football game which given the talents of our boys will be a tough test this year for the staff. Another tradition, our pantomime, was again a roaring success with the excellent production of A Knight's Tale. Well done to all involved in that endeavour and given the huge range of activities, sporting fixtures, mock examinations and visits that have taken place this term, I am sure that all are now looking forward to a well-earned rest over the Christmas break.

Mr S Norman  
*Headteacher*

The Harvey Grammar School  
Est. 1674

# Dates for the Academic Year 2019 – 20.

## Term Dates

Term 2 Monday October 28, 2019→ Wednesday December 18, 2019

Term 3 Monday January 6, 2020→ Friday February 14, 2020

Term 4 Monday February 24, 2020→ Wednesday April 1, 2020

Term 5 Thursday April 16, 2020→ Friday May 22, 2020

Term 6 Monday June 1, 2020→ Friday July 17, 2020

## Staff Training Days 2019-20

Monday July 20, 2020

Tuesday July 21, 2020

Wednesday July 22, 2020

## Upcoming Events

### January 2020

Tuesday 21<sup>st</sup>: Sixth Form Information Evening for current year 11 students

Wednesday 29<sup>th</sup>: Year 11 parents' evening

Thursday 30<sup>th</sup>: Year 8 vaccinations

### February 2020

Tuesday 11<sup>th</sup>: GCSE information evening for year 9 students

Friday 14<sup>th</sup>: Tag day

Wednesday 26<sup>th</sup>: Year 9 parents' evening

Mr Barton will be retiring at Christmas after 19 years of Design and Technology teaching at The Harvey. We wish him a well-deserved, restful retirement.

Mrs Prior will be joining the Design and Technology Department in January.

Mrs Sunderland will begin her maternity leave in January; we wish her well, and hope she enjoys sleep while she can!

Miss Siggins will be joining the Science department as a teacher in January, along with Mr Fieldwick who joined us this term as our new science technician.

*A huge vote of thanks to the students and staff who contributed to this edition. Contributions from all students, past or present, are always welcome as are contributions from parents and carers.*

*Email: [Library@harveygs.kent.sch.uk](mailto:Library@harveygs.kent.sch.uk)*

**In the Library**

**Mon - Fri**

**3.25 - 4.30**

**The Library is now open from 8.15  
in the morning.**

### **Free e-books and e-magazines**

All you need is a Kent Libraries library card (available from all local libraries), and ALL this can be at your fingertips for free!!

## MFL Stars of the Week

Every week each MFL teacher selects two students to be their 'Stars of the Week' based on effort and achievement in their language lessons. Mrs Wyllie then sends a positive referral home.

Congratulations to all our winners so far!

## MFL News

Over this term, we have been developing our links with schools in Europe.

Year 7s are preparing letters for the penfriends at le Collège Haffreingue in Boulogne sur Mer prior to our visit to France in term 3.

Year 8 Spanish students have developed a link with I.E.S Miguel de Cervantes School in Granada and are awaiting a response to their correspondence.

Year 9 French students have been invited to work with pupils from le Collège Claude Debussy in St German-en-Laye near Paris. One of our Year 11 boys arranged this link!

Also in March next year we will be welcoming back students from le Collège Sainte-Véronique in Liège, Belgium to shadow our Year 10 students for the day. More details to follow...

Our Renaissance Accelerated Reading programme really has the boys enthused with reading. The year 7s & 8s are clocking up quite a word count total! An impressive 73 Million words and counting!

There has been some great reading going on and we are watching now to decide who will be collecting awards at next year's prize giving.

Our students have been sharing their thoughts about Accelerated Reader.

'Accelerated reader has helped me because of the competitiveness against class mates and has made me read more. I also like that I can keep track of what I've read.' Elliot.H

'I think that accelerated reader is a very good way for young minds to develop. Any child can just read a book, but taking a quiz shows how well you understand the book.'

'It is amazing. It helps people read more and encourages them. I enjoy the quizzes. I also like the fact that you can rate your books.'

Student 7D

'It's helped me learn my book level and it's helped me to see how good I am at reading.' Ellis B

'I think it's useful because it helps you realise whether you have understood the story that you have read. The Vocabulary tests help encourage you to use new words. I also like that you get prizes just for reading!' Ian K

I like Accelerated Reader because you can win awesome prizes like free breakfasts!' Alfie

'I really like accelerated reader because of the rewards we get when we pass four quizzes. It is also fun to test your knowledge on a book that we have read. We can also compete with friends. Each term we look at how many quizzes we passed.'~Alex.A

'I like accelerated reader because anybody can read a book but the quiz results show how much you actually understood the book. The prizes are good as well, from stationary to food vouchers.' Archie M

Look out for more thoughts from the students in our next issue.

## A Knight's Tale

This year's panto was another huge success, selling out on Friday night. A massive thank you from me for Laurie and all the cast. You never cease to amaze me. You are all incredible. Mrs Rogers.

Hello, my name is Laurie and I wrote, directed, choreographed, managed and edited the music this year's panto "A Knight's Tale". Taking inspiration from the legendary King Arthur and Merlin story along with the hit BBC series Merlin I started writing the script in summer 2018. After many months (probably years, I lost track) of editing and redrafting, the final copy was made. I could never have predicted this though.

We have been presented with an extra challenge this year as the management team decided to move the panto to November giving us one less week to rehearse. Nevertheless this fantastic cast still managed to pull through (just about). These few months have been the most stressful in my life but I wouldn't have it any other way. This performance would not be as it is without the talent and dedication from this incredible group of people. I feel privileged to be leading such a brilliant and talented cast. I will miss them so much when I leave the Harvey at the end of this year.

Our cast is lead by the wonderful Luke C who has put so much effort into this performance, I can't thank him enough. I would love to thank everyone for their hard work but there isn't enough space. Everyone on that cast list deserves a massive round of applause for their efforts this year. I would especially like to thank Joe S. Joe is one of the most talented actors I've met (and master of accents) and it will be such a shame to say goodbye this year since he's been in the panto since year 7. You may remember him from last year as MRex but he has thankfully learnt a few more words this year. We will also say goodbye to Alex C and Oli T (our head technician). Oli has been such a great manager of the technicians so it will be sad to see him go. I would also like to thank Byron S for picking up an extra part only 2 weeks before the performance.

And the biggest thanks go to our wonderful leader, Mrs Rogers. The face of drama at the Harvey. You have been such a big help, I will miss your crazy bubbiness. I would also like to thank my partner in crime: Mr Samuel J. I couldn't have done this without your support, knowledge and enthusiasm. You've inspired me so much to continue through it all. And thanks to you, our lovely audience, without you, the show couldn't happen.

Your Dame.

## Year 12 University of Cambridge Trip

On the 30th of October, Mrs Davis and Mr Goodfellow took a minibus of 15 Year 12 students on a day-trip to the University of Cambridge. The visit began with a talk from a representative of Queens' College who delivered a presentation created in correspondence with the University of Oxford which provided vital tips and advice on how to apply to Oxbridge from grade and subject requirements, personal statements, interviews and entrance exams as well as explaining the College system found at Oxford and Cambridge.

Following the talk, we met with two current Queens' College undergraduate students who took us on a tour of Queens' and did their best to answer our questions about the varied accommodation on site. Best described as a modern-day Hogwarts, the ornate and - in some places - bizarre site houses over 1,000 students, making it

the third largest College at Cambridge. Spiralling towers and stunningly ornate chapels aside, we crossed the Mathematical Bridge - designed to be quickly dismantled in conflict - and eventually reached a courtyard housing the College bar - with pints available for just £2.30 - and the canteen.

The end of our tour concluded the first half of our trip. We were then treated to an exquisite three course dinner at the canteen that far exceeded our expectations and was most welcome after a 2 ½ hour minibus journey.

After lunch, we met with a Chemistry PhD student from France who used his current fascinating study of trapping liquids or gases - such as medicines - in solid particles in order to delay their release until specific conditions are met (such as temperature, the presence of a magnet or pH) as a vehicle to explain the process of entering academia through postgraduate study and assisting undergraduate students in their experiments.

After answering our questions about his work, we met with former Harvey student Jake Chapman who started his Engineering degree just a few weeks prior at St John's College with aspirations of specialising in Astrophysics. Jake took us on a short tour of the beautiful facilities of his College; St John's is Cambridge's second richest College (with assets exceeding £800m) and it really shows!

Finally, we were given the opportunity to explore the quaint cobbled streets of the city, the expansive shopping centres and the bustling, diverse marketplaces before hopping back on the minibus for the journey back to the Harvey.

All in all, it was an enjoyable and captivating trip that has inspired many of us to investigate the opportunities available to us after our A levels as well as encouraged a few to put in the extra effort that is required to study at one of the world's premier universities. We would all like to thank Mrs Davis for creating such a well organised and useful trip and Mr Goodfellow for taking the time to drive the minibus and accompany us throughout the day!

Tom W. Yr12.

## GCSE English

In November, Year 10 were treated to a performance of festive favourite ***A Christmas Carol*** by ***Charles Dickens***. The production was by the Box Clever Theatre Co., whose innovative approach combined Dickens' classic text with some more up to date music and dance! A Christmas Carol is a set text for GCSE English Literature, so the show helped boys to familiarise themselves with the timeless story, while a workshop after the performance helped them to learn some key quotations. A fun show from the small but dynamic young cast of actors and a great curtain-raiser to Christmas!

M C Dickens

More news from the English department....

Writer and traveller, **Fran Sandham**, gave a talk to Harvey sixth formers about his incredible 3 000 mile journey on foot from the Skeleton Coast to the Indian Ocean, as told in his book **Traversa**.

M C Dickens.

On Wednesday afternoon last week, the author of Traversa, Fran Sandham came in to talk to English and Geography students about his trans-Africa trek from the Skeleton Coast to the exotic island of Zanzibar. Inspired by the danger-ridden journeys of the likes of Dr Livingstone and Sir Henry Morton Stanley, Fran struggled through stubborn donkeys, bloodthirsty mules, dozing snakes and worst of all, a dodgy knee. I found Fran's talk about escaping the hum-drum of his London bookselling life incredibly enlightening in regards to travel writing, so much so that I bought a copy of his book! Whilst I might not be journeying across a continent any time soon, I certainly came away with a clearer perspective on the genre as a whole.

Jamie O

## INVICTA MATHS CHALLENGE

We recently sent a group of Year 10 and 11 students to take part in the qualifying round of the Invicta Grammar School Maths Challenge in Maidstone. They were competing against students from other Grammar, Comprehensive and Private Schools. I am pleased to say that Dominic LM, Joshua C, Tom R and Ben A made it through to the final which takes place in March 2020. Well done to all the students that took part, they were a credit to themselves as well as The Harvey.

### The Environment Council.

This year the environmental council has made excellent progress. We have been able to introduce paper recycling in all classrooms, whereas previously there was little. We have also added plastic bottle recycling to the school, which has so far resulted in two large site bins full of plastic bottles being recycled.

Recently, we completed an environmental review of the school, which is the first step to becoming an eco-school (which is our overall aim). This review has showed us that there is a lot to work on in the school, but I hope that we'll be able to work on a lot of these problems in the future.

*George P RS4*

# Computing @ HGS

A programme by  
Google

YouTube  
Creators for Change

The Computing Department year 9 cohort took part in a 'Be Internet Citizens' workshop day. The workshop is endorsed by Google and YouTube, aiming to encourage safe use of the internet for the younger generation and enhancing their knowledge surrounding the topic of voicing opinions.

The group of instructors have been touring the country, sharing their knowledge and engaging pupils, making The Harvey exceptionally lucky to be involved in this process.

Over the course of the day, pupils explored various topics such as Hate Crime, Emotional Manipulation, Us vs Them as well as creating their own products and presentations to perform in front of the entire cohort.

We had the pleasure of hosting representatives of Google and ISD, both of whom are heavily involved in the workshop. They visited various classrooms, conversing with the students about how they are finding the experience and what they have learnt.

Local MP Damien Collins came to the school for the second time this academic year, engaging with pupils and involving himself in certain aspects of the day. He gave several speeches, outlining the importance of internet safety and online debates involving current affairs, to which the students responded positively.

Pupils were immersed in the world of competitive debate, challenging each other's views and opinions but conducting themselves in a non-intimidating approach. Dividing the classrooms into smaller groups, encouraging pupils to voice their own opinions which no doubt improved public speaking and confidence across the group.

Finally the boys created their own performances, whether it be a simple presentation, an audience interactive performance or in one case a rap!

It was exceptionally pleasing to see our students take to the experience, encouraging others and more importantly demonstrating how Harvey Students should conduct themselves.

## **Food Bank Project**

We thought we would share our efforts in creating our food bank boxes in RJ3. I am very proud of the contributions that the boys have made and their efforts in decorating a reindeer box, a Santa box and an elf box all full of wonderful goodies including mince pies and Christmas puddings.

## Christmas Charity Appeal 2019

Following the huge success last year, we relaunched our school Christmas charity appeal to support those in our local community who may need a little extra help over the festive season.

We were overwhelmed with your generosity and support in helping us collect supplies of tinned goods, non-perishable foods and toiletries that we will distribute to worthy local causes.

The boys created hampers and food parcels for local churches, families and the Folkestone food bank.

This year we exceeded 50 hampers!

Many thanks,

Miss Bailey, Mrs Wyllie, Mr Platt & Mr Towse

## Sixth Form Visit to The Turner Contemporary Gallery, Margate.

We visited the Turner Contemporary art gallery in November as a whole A-Level cohort to inform our projects and investigations. We saw work by four artists who were the finalists of the Turner art prize 2019. Oscar Murillo, Tai Shani, Helen Cammock and Lawrence Abu Hamdan all displayed work in the Margate gallery which was unique, intriguing and refreshing, and helped us contextualise our investigations. We also explored Margate town, a place with lots of artistic influence present. Against

tradition, the four finalists of the prize competition all won this year, as they all felt that they should share the prize money of £40,000 between them.

# Art Department Awards

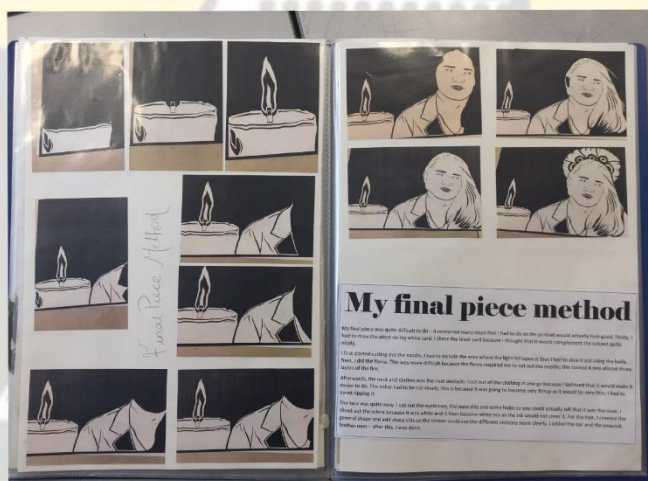

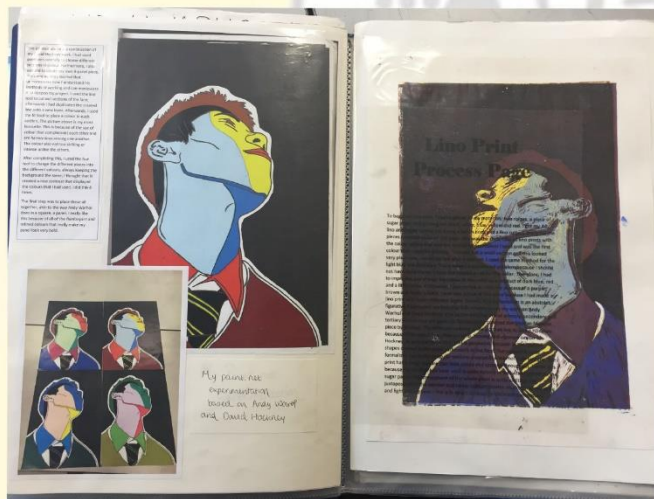

This term the art department entered in the annual Mayor's Christmas card competition. Oliver P's final design placed second overall, with the design based on the theme of 'Festive Folkestone'. Cailian W and Casper G also placed highly for their efforts. In addition, the judging panel were particularly impressed with entries from Ewan S and Leighton L and felt they should be commended for the techniques they used in producing their cards.

# Art Department Awards

The Art Department entered the annual Folkestone Art Society Gloria Gordon Sketchbook prize for GCSE and A level students. Pawan G placed 1st for his GCSE sketchbook with Osman C coming 3rd.

We would like to remind students and parents that while we encourage students to drink water throughout the day, they should not be drinking energy drinks or sugary, fizzy drinks at school as these are damaging to both their health and their concentration.

## FOOTBALL

### U12A

Term 2 has carried on where Term 1 finished for the two Yr7 teams. Both have performed very well, in their respective leagues, county & national cups!

The A Team finished 4<sup>th</sup> in their league, after a late season defeat to Norton Knatchbull. Very good displays against Archbishops (2-0) & Folkestone Academy (5-1) mean that in the first week back, they will play in the Quarter Final of the County Cup. Unfortunately, they come up against a very strong Valley Park side in the National Cup, succumbing to a 2-0 defeat. Sammy B & Nevin R have led the team well, as joint captains, whilst impressive performances from Oscar G, Kai W & Sam R have caught the eye.

The B Team have had an even better season so far, with progress to the last 32 of the National Cup, where they face Ravenswood as well as getting to the Quarter Finals of the County Cup. The highlight so far though, has been their winning of their district league. A league that involves B Teams from only ourselves & Norton Knatchbull, along with A sides from other district schools. The title was achieved with a 3-0 win away at Norton Knatchbull, reversing a 2-0 defeat to the same opponents in their first friendly of the season. A testament to how far they have come so far. Bradley C leads the scoring charts for not only the B Team but the whole school with 23 goals, whilst Arthur C is the top scorer in the A Team (12). Very good performances from Daniel F, Jack T, Finn S & Levi B-D in the Bs bodes well for the future of the year squad when they make the step up to 11aside in Yr8. Before then though, here's hoping for further success for both teams with extended cup runs after Christmas. *Report by Mr Walton*

### U13 Football

The year 8 footballers have had an outstanding year with success at district, county and national level. With a large and enthusiastic squad to pick from, competition for positions on the A team has been tough and only helped to forge a fantastic, supportive atmosphere within both teams.

The B team, competing against A teams from other local schools, gained impressive victories over Folkestone Academy and North School securing them a creditable position in the league. Sadly their county cup run was ended when they lost in the dying seconds of extra time against the A team from Kent College. George C has been the top scorer with 5 goals whilst, Sam G, Max C and Jude E have all been excellent throughout the season.

The A team have grown in confidence throughout the year and this has seen them gain fantastic results against some very strong schools. They will be competing in the Ashford and District final after Christmas (following success in the league) and have progressed to

the quarter finals of the County Cup at both 11 a-side and futsal. They also had a great run in the national competition eventually losing out to Shenfield High in Essex. Golakeeper Jack C has made a great impact since joining the school in September, whilst the scoring exploits of Riley P, Jimmy H and Owen H have won many games for us. Meanwhile Sam D and Noah B have kept the back line secure with Mingma T and Mason C creating chances from midfield

## U15

The U15s have had a fairly quiet term with only two fixtures to date. They did however manage to progress to the next round of the County Cup, with a fine 5-1 win over Charles Dickens. In the league, despite a strong performance v Norton Knatchbull, the boys fell to a 2-0 loss cruelly conceding twice in the last five minutes of the game. The squad will have a chance to avenge this loss however, as they have qualified for the league final, which will be against the same opposition. Before the term is finished, the team faced St George's in the last 16 of the County Cup, coming out 6-1 victors. This means we head in to the Quarter Finals after the Christmas break. The last Friday of term also saw us play Dane Court in a futsal fixture, with the hope to progress to the County finals later in Term 3. Finn D leads the way with goals (7), whilst impressive defensive displays from Dylan C, Adam H, Isaac E, Ihab A, Zac D & Marlow T have seen ahs limit the chances against us.

*Report by Mr Hark*

## U16

The U16's up and down season continued this term, with a hard-fought 3-1 win over St John's and a rousing 10-1 victory over Royal Harbour Academy, both in cup competitions. These were followed by two loses against Norton Knatchball in the league and Howard School in the cup. Despite this, the team and individual players continue to show signs of progression and maturity, with notable performances from Louis H, Liam O'D & Lewis C recently. We remain in the Invicta cup, with our next round fixture against Charles Dickens school on the penultimate day of term. *Report by Mr Towse*

## 1stXI

The second half of the season has mostly been spent preparing ourselves for our assault on the County Cup, given the dropped points in Term 1 in the league. Our league campaign was completed with tight defeats to Oakwood Park & Maidstone Grammar, whilst victories against Dane Court & Norton Knatchbull meant we ended up 4<sup>th</sup> in the league. If we hadn't had conceded last minute equalisers against Simon Langton & Dover Grammar, we would have been sat top of the pile. The annual friendly against The Old Boys was a tightly contested affair as well, with our boys going 3-1 up in the first half. A young squad, given the loss of 4 regulars due to County representation, injury or work commitments, produced some very exciting football, making the Old Boys chase around for the majority of the game. Experience took hold later in the game though, with some very good finishes from slight errors on the boys' behalf. A last minute goal (again!) cost us a decent result. We go in to Term 3 with our attentions fully on a cup run, with our Quarter Final against St Gregory's early after our return from Christmas. Eban G has top scored so far with 7 goals, whilst Alistair C has forced his way in to the County setup with his performances in goal. Impressive debut seasons so far from Baily P, Sammy L & Jack S from Yr12. *Report by Mr Walton*

## 2<sup>nd</sup> XI Football

The 2<sup>nd</sup> XI have continued their fantastic run of results by beating QES on Monday to win the East Kent League Division 2. Following good victories against the

Old Harveians, Oakwood Park and Maidstone Grammar the boys will be hoping to continue their success with a good run in the county cup after Christmas. In goal George C has been outstanding throughout the season, whilst experienced campaigners Jak C and Will H have led the younger boys with distinction. The attitude and commitment from the whole squad has been excellent and with many of the boys only in year 12, it bodes well for future success for the remainder of this season and next.

## X-COUNTRY

On Wednesday 13<sup>th</sup> November the school Cross Country team travelled to Brockhill for the annual Shepway and Ashford District Championships. With weather conditions perfect for running The Harvey were in high spirits leading into the competition.

All the races were keenly fought and with all Harvey runners giving an excellent account of themselves. In the Year 7 race the team came third to a very strong Norton Knatchbull and Ashford School teams but there were notable performances from Murphy F, Rohan L and Issac H who came 10<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup>. In the year 8 and 9 race the clear winner was Callum H who won the race by 26 seconds however overall the team came third again behind Norton Knatchbull and Ashford School. In the Year 10 and 11 race the Harvey had another winner with Leo C by 5 seconds but yet again the Harvey were pipped from winning the team event by Norton Knatchbull. *Report by Mr Bristow*

## SPONSORSHIP

Own a local business?

Know someone who does?

Would you or they be interested in sponsoring or donating to Harvey Sports?

We compete in local, regional, county & national competitions, not to mention the full & extensive extra-curricular programme we run within school. This gives the boys as much opportunity to participate, have fun & develop as possible.

We want to continue to do this, whilst inspiring more boys to get involved. The prospect of pulling on a new Harvey sponsored kit would help this no end.

Contact Mr Cowling ([sccowling@harveygs.kent.sch.uk](mailto:sccowling@harveygs.kent.sch.uk)) or Mr Walton ([jwalton@harveygs.kent.sch.uk](mailto:jwalton@harveygs.kent.sch.uk)) for more details.

## SPORTS LEADERS

Over 300 primary school children were in competition at the Shepway Sports Hall Athletics championships in term 2. In the morning Year 5 and 6 students were in action with the year 3 and 4 competitors active during the afternoon. The Harvey Leaders were certainly going to be challenged with the team having no experience of officiating at this type of event. Designated to track and or field the boys were impressive in the way they quickly picked up their roles and took on board the seriousness of the competition. At the end of the day they were certainly tired physically and mentally after 6 hours in role!

The boys now are awaiting training in the finer skills of officiating in Athletics events which will be provided by the KENT SCHOOLS GAMES team. The majority of the boys will then be used in 2020 at LEVEL 3 Competitions including Sports Hall and Super 8s Athletics

Kobey P, Crispin W, Jack W, Tom M, Callum H, Barnaby E, Keane V, Alex S, Matthew M, Joe T, Emmanuel V, Logan D, Rudy M, Benjamin S, Alex C, William S, Harry E, Joseph E.

# HANDBALL

Congratulations to both of the year 8 Handball teams who took part in the District Competition last month. The evening provided some excellent games for the players and supporters to watch with the Harvey teams having to play each other in the very first game of the evening. The A team finished up winners 9-2 in that particular game and therefore eventually winning the competition collecting the Gold medals. Congratulation though must also go to the B team who worked hard and eventually finished in second place overall and collected their Silver medals.

A TEAM Dylan K, Max C, Alex T, Tom K, Mason C, Mitch G, Dan M, Asim S, Sam D & Dylan T

B TEAM Ed H, Ben S, Kian P, Dan A, Callum W, Luca L, Finn M, Reilly F, Josh E & Alex B

Congratulations also goes to the year 10 Handball team who also finished victorious the following week.

The Harvey now represent the District at the Kent Handball Competition at Medway Park on Wednesday 30/01/19. Good luck to the boys chosen to represent.

TEAM Sonny R, Will C, Euan S, Lucio D, Dylan C, Ihab A, Alfie M, Zeyt U, Lenny A and Marlow T

## BADMINTON

On Wednesday 5<sup>th</sup> December, members of The Harvey took part in the District Championships at Towers School in Ashford.

The Junior team, captained by Sam K, were up against older opposition throughout with it being a KS3 competition, but with Sam being the only Yr9 our boys performed very well to place 4<sup>th</sup> overall. The experience will do them good for competitions in the

future. (Ivor H, Jimmy H, Luke B & Sam K).

The Senior team were in a fortunate position that they had all played together at competitions in the past. This proved important for us as it meant that some tight games down the stretch went in our favour. Winning the competition, the squad will now represent

Shepway at the County Finals in the new year. (Chris D, Bill N, Pratik L & Louis B-W).  
*Report by Mr Walton*

## SPORTS HALL ATHLETICS

Congratulations to Emmanuel V on his successes at the Kent Sports Hall Athletics Championship on Sunday the 8<sup>th</sup> of December at the Stour Centre Ashford.

Emmanuel came 1<sup>st</sup> place in the Speed Bounce and 3<sup>rd</sup> place in the 2 lap individual race. He is pictured below with his medals.

trialists and it would be nice to see as many students there on the night competing for a place in the team.

Emmanuel is under the mentoring of Pat Hany, pictured below. Pat has for years been a great support to the Harvey Athletes teams and has recently been in school working with year 8 in preparation for the Ashford and Folkestone District Competition which is on Tuesday 14<sup>th</sup> January. She will be involved again on Tuesday 7<sup>th</sup> January with our new year 7

## Harvey Grammar School Sportsmen of the Term

### **Leo C (Yr10)**

Victor in the Yr10/11 District X-Country Championships, despite being only in Yr10.

## Harvey Grammar School Sports Team of the Term

### **Yr7B Football Team**

Progress to the last 32 in the National Cup, the Quarter Finals of the County Cup & win their District League

## **OTHER ACHIEVEMENTS**

Arthur C (7R) celebrated late in the term after he passed the examination for and was awarded his first degree black belt in WTF (World Taekwondo Federation) Taekwondo. This is the culmination of six years' dedicated practice and study, having started when he was a mere 5 years old. Taekwondo covers a wide range of disciplines and purposes, including full contact sparring, patterns (poomsae), breaking and self-defence, in all of which Arthur has developed a significant degree of expertise.

As the holder of a black belt, Arthur has learned to take responsibility for his development and is increasingly self-sufficient in his own learning. He is rightly very proud of this achievement, which marks a significant milestone in his development in the martial art of Taekwondo.

If you have any achievements of our boys from outside of the HGS world, please get in contact with us so we can celebrate them.

# SPORTS JOURNALISM TEAM

This edition of the Harveian Sports Newsletter has been produced by the Harvey Grammar Sports Journalism Team. The team has been growing over the past year, to now include boys from Yrs7-11. If you are interested in joining us going forward, please email Mr Walton. Thank you to all members of the team who contributed to this edition.

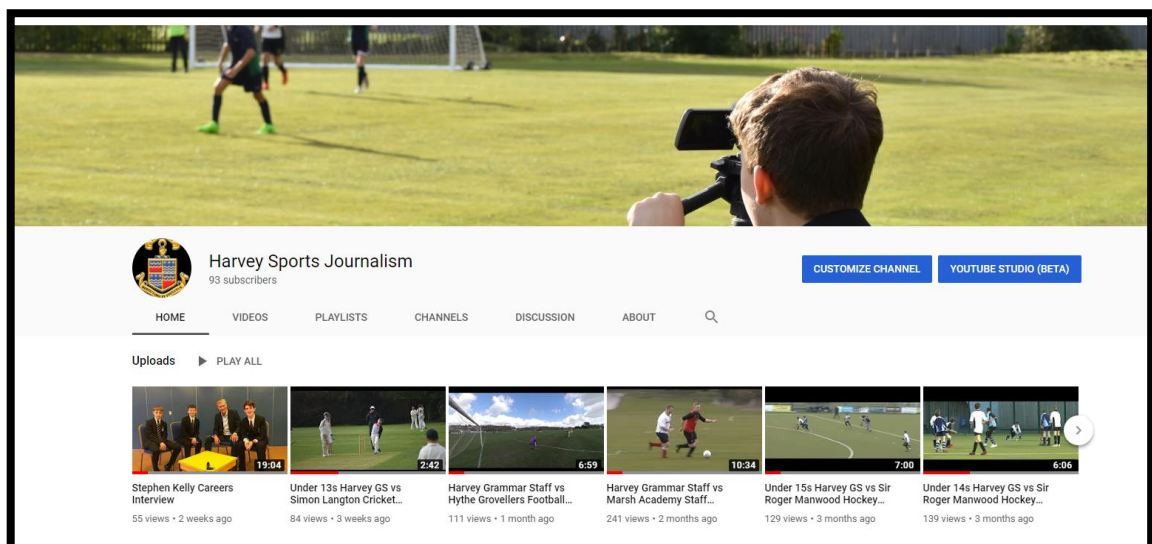

All the pictures that the Journalism Team capture can be found on the Pupils' Shared Area.

# YOUTUBE CHANNEL REPORT

At the start of last year the Harvey Sports Journalism YouTube channel was created on which a majority of sporting fixtures including Football, Basketball, Hockey and Rugby are recorded, edited and uploaded to the public allowing people to really see what goes on in the Harvey Grammar Sports Department. A recent big fixture for the channel was the annual Staff vs Prefects game which was recorded on 3 camera angles and has been a big success throughout the school with many forms and students watching it in their spare time.

If you would like to watch some of the sporting fixtures which are already on the channel please go to YouTube and search Harvey Sports Journalism or copy and paste the following link into your browser: <https://www.youtube.com/channel/UCLANYR9jnLDPet7OaPDa14w?>
