

The Harveian

Term 3. 2019 – 2020.

Dear Parents and Carers,

This term saw the publication of school league tables which we always take very little interest in as examination statistics are only one small part of what makes a great school. However, the good news is that those statistics do suggest our boys are continuing to buck the national trend of boys' underperformance. With our boys' outstanding outcomes both at GCSE and A Level, we find ourselves in the top 5% of schools for attainment and the top 30% of schools for progress this year. However, it has also been heartening to hear a few voices in the media begin to question why the underperformance of boys' is not a national issue as it certainly should be with boys at the national level continuing to fall further behind girls. Here at the Harvey, with exams thankfully still a few months away for Years 11 and 13, the term has been packed full of extra-curricular activities, and I hope that our Y7 boys have enjoyed their first trips with us this term to Boulogne and Lingfield Racecourse. I also wish all our skiers an enjoyable trip as they set off for an exciting half term break in Andorra. Finally, I hope you all enjoy the half term break, wherever that might take you, and that the stormy weather subsides!

A Level Chemistry

Seven intrepid Harvey year 13 Chemists spent a day at Pfizer on Wednesday 15th January. They had been hard at work in the school labs making Aspirin and could have it analysed by multi-million pound machinery! The lads are very lucky as they actually do some of the analysis using these expensive machines, rather than just watch others do it, which is such a fantastic opportunity. The students found that they had made aspirin, but that it was perhaps not the purest that Pfizer had seen!!

Not a bad picture too considering the pouring rain!

Six Yr13 Chemists also visited Givaudan to find out about the chemistry behind developing fragrances for perfume, washing powders, glade air fresheners and toothpaste. The students were able to see how fragrances are developed and adjusted for a global market. They also found out about how fragrances can change with the context in which they are smelled. E.g., the chemical for a fine stilton is the same as the one for cheesy feet!

It's also great to be able to observe manufacture of these products on a large scale. The robot run warehouse is six stories high and contains 20,000 pallets of chemical drums. The robot forklifts are able to collect all the ingredients for a 100-ingredient perfume within four minutes!

The students were a credit to the school and we have already been invited back for next year!

Year 7 Trips to Boulogne-sur-Mer

27TH JANUARY & 3RD FEBRUARY 2020

The Year 7s enjoyed a day visit to Boulogne-sur-Mer where they met their French penfriends from le Collège Haffreingue. We then completed a number of language tasks in the old town before a visit to the Becasuc sweet factory and Auchan. Everyone had the opportunity to practise their French and learn more about the culture. We were also extremely lucky with the weather!

'The Boulogne Trip was a great opportunity. It was filled with historical monuments and buildings as well as a chance to learn about the culture. I had an amazing experience and I would recommend Boulogne to others!'

Isaac Q, DJ5

'Boulogne was a great experience with fun activities to explore France and learn more French. My favorite part was going to the local supermarket and speaking French with the cashiers!'

Sam G, RJ4

'I thought that the French trip was fun as it was great meeting our pen friends and visiting a French school!'

Dear Helen,

Thank you so much for the boxes of foodstuff from Harvey Grammar School. The mixture of toiletries, luxuries and general foodstuffs was so well thought out. One of the recipients was down to her last couple of tins of food. To see the sheer joy on her face was such a wonderful experience for me.

This Christmas I have been asking school children to show the best version of themselves to each other, to their teachers and to the local community. With these actions, Harvey Grammar School really meet this objective. All recipients know where the gifts came from and have asked me to thank you all from the bottom of their hearts.

Please feel free to display this letter, or share it in any way you wish.

Thank you so much.

God bless,

Bob

The Harvey Grammar School has been proud to receive these messages of thanks for the donations made just before Christmas. We wanted to share them with you, as we are so proud of the contribution made by our students.

Action on Homelessness in Folkestone

17 December at 21:48 · 🌐

A warm and filling plate of chicken stew, served with dumplings and mashed potato was on the menu today, followed by banana cake with fruit and custard.

Huge thank yous to go out today as we have been receiving so many generous donations in the run up to Christmas.

A group of boys from Harvey Grammar came in with their teacher and arms full of boxes containing hampers and food parcels. We are so very grateful to them for their amazing kindness and to all of those who helped make their Christmas Appeal possible.

We would like to remind students and parents that while we encourage students to drink water throughout the day, they should not be drinking energy drinks or sugary, fizzy drinks at school as these are damaging to both their health and their concentration.

HANDBALL

After both winning through their qualifying rounds, the U13s & U15s handball teams traveled up to Medway Park to represent Shepway in the Kent School Games finals. First up in the morning were the U13s. A tough group meant that they had to battle hard to advance to the semi finals. A loss in the last group game to Rainham Mark meant they came second, giving them a tough last 4 fixture against Brompton Academy. They were able to overcome their north Kent rivals though, setting up a rematch with Rainham Mark in the final. Unfortunately the result was the same though, meaning the boys won the silver medal.

It was the turn of the U15s in the afternoon, who started their group stage with a convincing 2-0 victory against Westlands. A draw & a defeat (to eventual winners St Gregorys) saw the boys progress to the semi finals to face local rivals Dover Grammar. A tight affair, it ended up 3-3 so had to be settled with a period of overtime. Unfortunately we conceded 2 sloppy goals late on, meaning we would play for the bronze medal instead of the gold.

The disappointment soon disappeared though, as we bounced back to win 2-1 & take home the bronze medal & a podium position.

A great achievement for both teams, given this was pretty much their first forays into competitive handball. *Report by Mr Walton*

FOOTBALL

U12

Term 3 has seen our Yr7's seasons come to an end. Both the A & B team were still in their respective County Cups after Christmas, which in itself is an achievement to be proud of.

The As faced Aylesford College the first Saturday back after the break in the quarter finals. A tight affair in terms of the score, was dominated by The Harvey in terms of possession as well as chances created. Going behind early in the second half, the boys didn't stop playing good football or get desperate, grabbing a more than deserved equaliser with 5 minutes remaining through Marcus M. A good save from Sam G kept us in it & forced extra time. Some good use of the ball by our attacking players (Sammy B, Kai W, Oscar G & Arthur C) meant that again we had the better chances in the extra period, but to no reward. Penalties followed. Still nothing could separate the two schools after the first 5, meaning sudden death was needed. Once all 9 players who ended up on the field at the end of the game had taken their spot kicks, a miss from Aylesford's last player meant we won through.

Simon Langton were our opponents in the semis. Usually a tight game when we face each other, this one was no different. Another top performance from the boys meant they limited Langton to 2 chances, whilst we forced various good saves from their keeper & other last ditch blocks & tackles from the defenders. Unfortunately they were a bit more clinical than us, scoring from one of their few chances.

Some great defending from Isaac H, Jacob W, Nevin R & Sam R was the basis for our attacking display, but we couldn't find the back of the net, succumbing to that single goal.

The B Team also faced Simon Langton in the semi final of the county cup.

Unfortunately for us, it was the same result, with our counterparts from Canterbury edging past us to the final. Some great saves from Xavier C, whilst Daniel F & Jack T marshalled the back line well. Bradley C, Sunny F, Fin S & Tom R were always dangers going forward, but we couldn't quite make the break through.

Both teams have progressed so far this season, with some very promising years to come looking at the depth of both squads. We will come back together in term 6 to prepare for the step up to 11aside in Yr8.

Finally, a big thank you to all the parents for your support this year! *Report by Mr Walton*

U14

Since the beginning of September the Under 14's have had a very successful season. We were unfortunately knocked out in the third round of the national cup to Claremont School, who beat us 3-0 with a very good Brighton striker up front, however we didn't let this get us down.

In our local Ashford and Shepway School league we had a very good run, finishing first on points overall. Some great team performances along the way with standout performances from our defensive back four of Ralph B, Jerzy K, Scott G and Fletcher E, with Harrison C dominating in goal. This led us to the league final at Ashford Football Stadium, where the team were disappointed with their performance, and unfortunately lost to Norton Knatchbull School 3-0.

Our best run has been in the Kent Cup. We had some standout performances, such as Scott G against the Hundred of Hoo. Currently we are in the final of the Kent Cup and hopefully we can add that win to our successful season. Well done to all involved! *Report by Harrison L.*

U15

The U15s lifted silverware for the first time as HGS players this term with their win in the ASSFL final. Their 2-1 win over Norton Knatchbull was an excellent squad performance, beating a strong side that has made it all the way to the county cup final. The goals came either side of the half time break, from Sunny R and man of the match Lenny A. In the County Cup, the team succumbed to an extra time comeback from St Simon Stock to bow out at the quarter final stage. It has been an important season for the development of the squad and hopefully, with the league win under their belt, they will have the desire to go on and win more next season.

Well done to everyone involved. *Report by Mr Hark*

YEAR 9 TEAM IN ACTION AT KENT SCHOOL GAMES SPORTS HALL ATHLETICS COMPETITION

Over 200 secondary school boys and girls from year 7 and 8 were in competition at the Shepway Sports Hall Athletics championships Tuesday 14th January 2020. For this event the Harvey boys had training provide by Kent Athletics Association on the finer points of recording and reporting track and field events. The Year 9 team did find the sessions long and challenging but had been mentored well and supported each other positively on the day whether working on the track or field events.

Two weeks later the boys once again took on their role as Leaders this time though at the **KENT SCHOOLS GAMES SPORTS HALL ATHLETICS** Competition. Similar responsibilities were passed around BUT the boys also took on the role of scorers and recorders for the huge event at Medway Park.

The following boys below were very impressive and mentioned on the School Games Twitter Page. They were thanked specifically for their hard work and dedication during the afternoon.

KENT SCHOOL GAMES SPORTS HALL ATHLETICS COMPETITION 29/02/20

Following their success at District Level the year 7 and 8 teams went onto represent Folkestone schools in the above prestigious competition.

An excellent festival of athletics saw year 7 finishing in 8th place out of 12 District teams. Year 8 were particularly impressive with fine individual performances from the whole squad. They eventually finished third receiving bronze medals on the day.

Congratulations to the boys who did themselves and the Harvey proud.

HOCKEY

U14

Game 1: 0-9 away win against Duke of York- 15.01.20

Conditions looked difficult for both teams, with a roaring wind bellowing over the pitch. Game underway and the Harvey are pushing forward straight away to try and get an early lead, which did not come to long after the second minute mark, when Garrett L scored a tidy brace in two minutes giving the Harvey a nice advantage for the start of the game. Not long after Scott G and Connor F played a neat one-two before Connor F delicately placed the ball into the corner. There are now ten minutes left of the half when short corners came in bucket loads for us, with our captain Will D coming up from center-half to inject the ball before scoring a quick hattrick by being the post man after he injected, tapping the ball into the goal all three times, just before the half came to a halt!

Second half underway and Harvey are pushing for a seventh with Matt D flying up the wing before hitting in a low cross at the foot of Ralph B who scuffed the shot, bouncing off the keeper going down as an own goal; unlucky for Duke of York. Edward P plays a neat pass out wide to Matt D before hitting in another wonderful cross which unfortunately went straight past are attacking three. This time the assist came from the other flank when Ben S slaps a ball into Ralph B who gets a controversial second goal for himself. The Harvey back line were

caught unaware when their winger stormed past us with blistering pace before unleashing a powerful shot that went inches wide of the post. Not long left of the game now and Duke of York are trying to see out time before Antoni J wins the ball passing it down the middle to Matt M where he unleashed a powerful shot smacking against the backboard, just before the full-time whistle. That is that, a fabulous 0-9 away win for the Harvey in their first game of the season and proceed to the quarter-final of the Kent Cup!

Game 2: 0-1 home loss against Sir Joseph Williamsons Mathematical School- 27.01.20

Conditions were rough on this late afternoon when heavy rain fell from above. Sir Josephs' were pushing forward in the opening minutes trying to break through our defense, leaving the Harvey deep at the halfway line. It wasn't long after when they finally cut through our defense and slotting the ball in the corner. After that it was an uneventful end to the half with the half finishing 0-1 to the visiting side.

Second half underway and Harvey are pushing for a quick equalizer so they can get this game back on track. Everyone could sense that a goal was about to come, and yes it nearly did when Charley P smashed the ball against the post. Harvey were now in complete control of the game passing the ball for fun and unleashing some tidy shots, only going inches wide of the post. Only a couple minutes left in the game and Harvey really deserve this goal, they've been pushing since the start of the second half, and the goal just won't come for them. Full time and the visitors win, Harvey were unlucky not to take the game to extra time, but Sir Josephs' kept them out and advance to the semi-final of the Kent Cup!

Game 3: 3-2 home win against Norton Knatchbull- 29.01.20

Conditions are perfect with a slight breeze passing overhead, this should be a great game of Hockey. Knatchbull push high up the pitch in the opening minutes attempting to slice through our defense. In the midway point in the half Harvey kick into gear, threading some nice passes through the heart of Knatchbulls' midfield leading to a nearly audacious goal from Charley P. Not long after the visitors hit the breakthrough with a nice finish into the bottom corner. Only a couple minutes left in the half and Connor F dribble past the Knatchbull defense before hitting it through the goalkeeper's legs and into the goal. The half time whistle is blown, and we go in to the second half at one a piece. Second half underway and Harvey are trying to turn this score line around which they do in a matter of minutes with Garrett L slotting it into the bottom corner. Harvey are now sitting back trying to keep their lead, the defending is impeccable and Knatchbull just cannot seem to find a way through. Not long left in the game now and the visitors are giving their all, which pays off when a deflected shot trickles over the line and into the goal! There must be ten seconds left in the game now and it looks like a draw will be the full-time score. Charley P receives a ball that was fizzed at him by our captain Will D and Charley P hit it hard and true on the reverse... it looks like it is going to go in, with the keeper stretching to the max; the keeper gets a touch but it flies into the top corner, the team are ecstatic and the players and substitutes come flooding onto the pitch celebrating what should be a glorious winner from Charley P! Full-time, and the match ends 3-2 to the Harvey, what a match, and what a way to get your second win of the season!

BADMINTON

After dominating the local competition at the Towers school, we soon continued on to the regional rounds. I believe our team performed to the best of their abilities throughout, with amazing individual performances coming from each player. Due to these high-level performances, we managed to advance from the local rounds and advance in to the regional Kent school games.

After the long journey listening to Heart 80s, we arrived at the Medway Park Sports Centre ready to play our first games. We started well after winning our first two matches convincingly both 5-0. Moving into the last game of the groups, we needed to win it to go through to the finals against the Judd School. In the last match of the groups, we all played outstandingly and we felt well prepared for the task. We all believed we could win the final and bring back the tournament gold.

As we already knew, we were facing the Judd School in the final and as usual, it was a strong team they had put up. Chris D played the first game of the finals against their best player, which he managed to win putting us ahead after the first game. The next game was the doubles, which Zane P and Louis B-W battled well but sadly lost we all believed and where motivated that we could go on and win. From then on, we took complete control especially during Bill N singles, which he played sensationally well and put us ahead in the second time in the match. I hope that the younger years can continue

the success, which this team and past teams have achieved and well played to everyone. *Report by Chris D*

SPORTS JOURNALISM TEAM

This edition of the Harveian Sports Newsletter has been produced by the Harvey Grammar Sports Journalism Team. The team has been growing over the past year, to now include boys from Yrs7-11. If you are interested in joining us going forward, please email Mr Walton. Thank you to all members of the team who contributed to this edition.

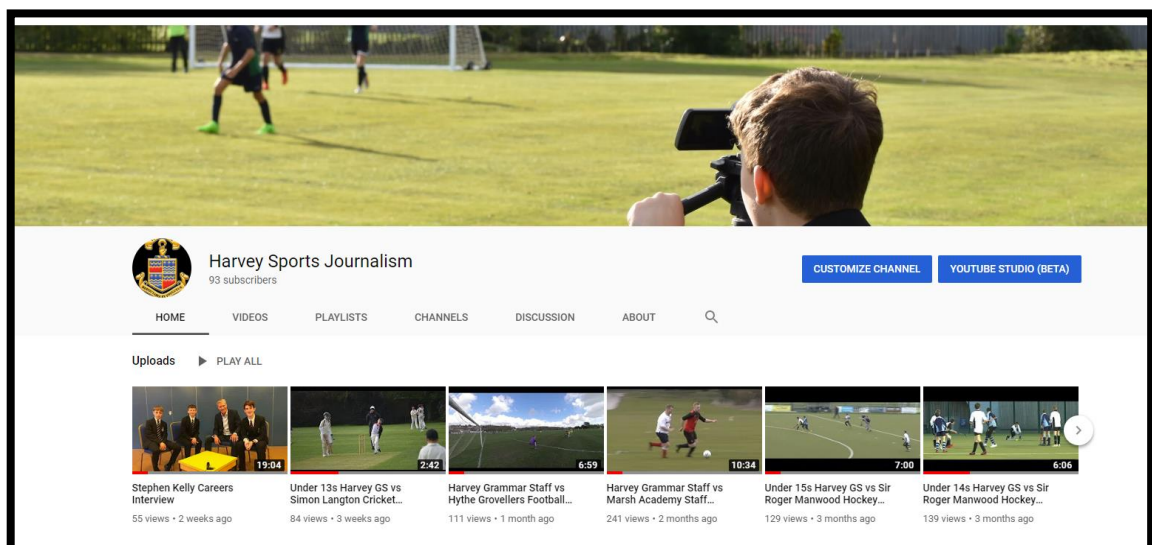

All the pictures that the Journalism Team capture can be found on the Pupils' Shared Area.

YOUTUBE CHANNEL REPORT

At the start of last year the Harvey Sports Journalism YouTube channel was created on which a majority of sporting fixtures including Football, Basketball, Hockey and Rugby are recorded, edited and uploaded to the public allowing people to really see what goes on in the Harvey Grammar Sports Department. A recent big fixture for the channel was the annual Staff vs Prefects game which was recorded on 3 camera angles and has been a big success throughout the school with many forms and students watching it in their spare time.

If you would like to watch some of the sporting fixtures which are already on the channel please go to YouTube and search Harvey Sports Journalism or copy and paste the following link into your browser: <https://www.youtube.com/channel/UCLANYR9jnLDPet7OaPDa14w?>

LOOKING AHEAD

The cricket season is nearly upon us, which means it is time to dust off the pads and get back into the swing of things. Starting in Term 4, cricket nets will be running every Tuesday afterschool. The session will be split into 2 slots, with KS3 from 1530-1630 and KS4 running from 1630-1730.

Whether you are an experienced cricketer or someone who wants to give a new sport a go, come on down and chance your arm. All you need to bring with you is your indoor PE kit and trainers but if you do own your own cricket equipment, it is advisable you bring it with you.

KS3 sessions will focus on nets for batting and bowling specifics in addition to fielding drills, game based scenarios and tactics. KS4 sessions will also link in with 1XI training and eventually Barbados Tour preparation, giving our KS4 pupils a chance to learn from some of the 1st team players.

The PE department looks forward to see you there and if you have any questions, please see Mr Meers for more information.

SPONSORSHIP

Own a local business?

Know someone who does?

Would you or they be interested in sponsoring or donating to Harvey Sports?

We compete in local, regional, county & national competitions, not to mention the full & extensive extra-curricular programme we run within school. This gives the boys as much opportunity to participate, have fun & develop as possible.

We want to continue to do this, whilst inspiring more boys to get involved. The prospect of pulling on a new Harvey sponsored kit would help this no end.

Contact Mr Cowling (sccowling@harveygs.kent.sch.uk) or Mr Walton (jwalton@harveygs.kent.sch.uk) for more details.
