## Statement of Intent:

The Harvey Grammar School believes that all pupils are entitled to an education that enables them to achieve their best, become confident individuals living fulfilling lives, and make a successful transition into adulthood.

Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities. For the purposes of this policy, a pupil is defined as having SEND if they have:

- A significantly greater difficulty in learning than most others of the same age.
- A disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age in mainstream settings.

## Objectives:

Every school is required to identify and address the SEND of the pupils that they support. Through the implementation of this policy, the school will:

- Use their best endeavours to make sure that pupils with SEND get the support they need to access the school's broad and balanced curriculum.
- Ensure that pupils with SEND engage in the activities of the school alongside pupils who do not have SEND.
- Ensure there is high-quality provision to meet the needs of pupils with SEND, with specific focus on inclusive practice and removing barriers to learning.
- Fulfil its statutory duties towards pupils with SEND in light of the SEND code of practice.
- Promote disability equality and equality of opportunity, fulfilling its duties under the Equality Act 2010 towards individual disabled pupils.
- Make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled pupils are not at a substantial disadvantage compared with their peers.
- Designate a teacher to be responsible for coordinating SEND provision, i.e. the SENCO.
- Inform parents when they are making special educational provision for their child.
- Review, prepare and publish important information about the school and its implementation of relevant SEND policies, including:
  - Accessibility plans setting out how they plan to increase access to the curriculum and the physical environment for pupils with SEND.
  - A SEN information report about the implementation of the school's policy for pupils with SEND.

## Roles and Responsibilities:

### **The Governing Body will be responsible for:**

- Ensuring the school meets its duties in relation to supporting pupils with SEND.
- Ensuring that there is a qualified teacher designated as SENCO for the school.

**The Headteacher is responsible for** ensuring the school offers a broad and balanced curriculum, with high quality teaching and a positive and enriching educational experience of for all pupils, including pupils with SEND.

### **In enacting this policy, the Headteacher will:**

- Ensure the school holds ambitious expectations for all pupils with SEND.
- Establish and sustain culture and practices that enable pupils with SEND to access the curriculum and learn effectively.
- Ensure the school works effectively in partnership with parents, carers and professionals, to identify the additional needs and SEND of pupils, providing support and adaptation where appropriate.
- Ensure the school fulfils its statutory duties with regard to the SEND code of practice.
- Ensure the SENCO has sufficient time and resources to carry out their functions.
- Provide the SENCO with sufficient administrative support and time away from teaching to enable them to fulfil their responsibilities.

- The coordination of specific provision made to support individual pupils with SEND.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.

**Teachers will be responsible for:**

- Planning and reviewing support for pupils with SEND on a graduated basis
- Setting high expectations for every pupil and aiming to teach them the full curriculum, whatever their prior attainment.
- Planning lessons to address potential areas of difficulty to ensure that there are no barriers to every pupil achieving.
- Ensuring every pupil with SEND is able to study the full national curriculum.
- Being accountable for the progress and development of the pupils in their class.
- Being aware of the needs, outcomes sought, and support provided to any pupils with SEND they are working with.
- Understanding and implementing strategies to identify and support vulnerable pupils with the support of the SENCO.
- Keeping the relevant figures of authority up-to-date with any changes in behaviour, academic developments and causes of concern.

The school recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND. With the support of the SLT, classroom teachers will conduct regular progress assessments for all pupils and assist in identifying pupils who may require specialist SEN Support.

**Safeguarding:**

The school recognises that evidence shows pupils with SEND are at a greater risk of abuse and maltreatment, so will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including child-on-child abuse, neglect, and sexual violence and harassment.

The school recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. The Headteacher and Governing Body will ensure that the school's Child Protection and Safeguarding Policy reflects the fact that additional barriers can exist when identifying abuse. Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL in collaboration with the SENCO. School staff will be particularly alert to the potential need for early help for pupils with SEND and additional needs. Pupils with SEND will be taught about how to keep themselves and others safe including online. The school will ensure that teaching of safeguarding is tailored to the specific needs and vulnerabilities of pupils with SEND. Any reports of abuse involving pupils with SEND will involve close liaison between the DSL and the SENCO.

## SEND Support:

The school recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND.

Decisions on whether to make special educational provision for pupils will be based upon:

- Discussions between the teacher and SENCO.
- Analysis of the pupil's progress – using internal formative and summative assessments, alongside national data and expectations of progress.
- Discussion with the pupil and their parent.

Once a pupil has been identified with SEND, the school will employ a graduated approach to meeting the pupil's needs. This will be through the adoption of a four-part cycle – **assess, plan, do, review** – whereby earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. The process is as follows:

- **Assess:** establishing a clear assessment of the pupil's needs
- **Plan:** agreeing the adjustments, interventions and support to be put in place, as well as the expected impact on progress, development or behaviour, along with a clear date for review
- **Do:** implementing the agreed interventions and support
- **Review:** analysing the effectiveness of the interventions and their impact on the pupil's progress in line with the agreed review date

Where higher levels of need are identified, the school will access specialised assessments from external agencies and professionals.

Where, despite the school having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, they have not made expected progress, the school, in consultation with parents, will consider requesting an Education, Health and Care needs assessment.

The school will consider whether additional pastoral support and attention for pupils with SEND is required, alongside ensuring that any appropriate support for communication is in place.

## Transition:

The school is aware of the importance of planning and preparing for the transitions between phases of education and preparation for adult life. Where pupils have EHC plans, these will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new setting.

## Involving Pupils and Parents in Decision Making:

The school is committed to working in partnership with all parents in the best interests of their child and will provide an annual report for all parents on their child's progress.

Where a pupil is receiving SEND support, the school will regularly liaise with parents in setting outcomes and reviewing progress. The House Team, supported by the SENCO, will meet with the parents in stages throughout the school year.

Where the LA provides a pupil with an EHC plan, the school will involve the parents and the pupil in discussions surrounding how the school can best implement the plan's provisions to help the pupil thrive in their education, and will discern the expected impact of the provision on the pupil's progress.

## **EHC Needs, Assessments and Plans:**

The school recognises that, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, some pupils may not make expected levels of progress. In these cases, the school will consult with parents and consider requesting an EHC needs assessment.

The purpose of an EHC plan is to make special educational provision to meet the SEND of the pupil, to secure the best possible outcomes for them across education, health and social care and prepare them for adulthood.

As part of the EHC needs assessment, the school will meet its duty by:

- Responding to any request for information as part of the EHC needs assessment process within six weeks from the date of the request, unless special exemptions apply as outlined in the SEND code of practice.
- Providing the LA with any school-specific information and evidence about the pupil's profile and educational progress.
- Gathering any advice received from relevant professionals regarding their education, health and care needs, desired outcomes, and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

If, following the assessment, the LA decides not to issue an EHC plan, the school should be provided with written feedback collected during the EHC needs. It will use this information to contribute to the graduated approach and inform how the outcomes sought for the pupil can be achieved through further special educational provision made by the school and its partners.

Where the LA decides to issue an EHC plan, it must consult the prospective school by sending a copy of the draft plan and consider their comments before deciding whether to name it in the pupil's EHC plan. The school will meet its duty to provide views on a draft EHC plan within 15 days.

## **Reviewing EHC Plans:**

The school will ensure that teachers monitor and review the pupil's progress during the year and conduct a formal review of the EHC plan at least annually.

The school will:

- Cooperate with the LA and relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.

- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting, such as representatives from the LA SEN, social care and health services.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents involved at all times.
- Lead the review of the EHC plan to create the greatest confidence amongst pupils and their parents.
- Prepare and send a report of the meeting to everyone invited within two weeks of the meeting, setting out any recommendations and amendments to the EHC plan.
- Clarify to the parents and pupil that they have the right to appeal the decisions made regarding the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the personal education plan (PEP) element.

If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment.

## **Supporting Successful Preparation for Adulthood:**

The school is aware that being supported towards greater independence and employability can be life-transforming for pupils with SEND. It recognises the importance of starting early, centring on pupil aspirations, interests and needs, and will ensure that pupils are supported at developmentally appropriate levels to make a smooth transition to what they will be doing next, e.g. moving on to higher education.

The school will:

- Ensure that the EHC plan review includes a focus on preparing for adulthood, with additional focus on transition and preparing for adulthood from Year 9 onwards.
- Build transition planning into the revised EHC plan to identify appropriate post-16 pathways for higher education and employment, and support preparation for independent living, maintaining good health in adult life and participating in society.
- Seek partnerships with employment services, businesses, housing agencies, disability organisations, and arts and sports groups, to help children understand what is available to them as they get older, and what it is possible for them to achieve.
- Engage with FE providers as necessary to help plan for any transitions.
- Ensure pupils from Year 8 until Year 13 are provided with independent careers guidance.

The school's Careers Policy details how the school will fulfil its statutory duties under section 42 of the Education Act 1997 and work with pupils with SEND to ensure they are prepared for the workplace.

## **Staff Training and Improving Practice:**

The school is committed to the learning and development of all its staff members and training opportunities will be provided and delivered in line with the school's CPD and Training Policy.

The school SENCO will assess staff competencies and ensure that CPD provision allows staff to develop their awareness, skills, and practices in identifying, educating, and assessing pupils with SEND.

## **Use of Data and Record Keeping:**

All information about pupils will be kept in accordance with the school's Data Protection Policy. The school keeps data on the levels and types of need within the school and makes this available to the LA and Ofsted.

The school will not disclose any EHC plan without the consent of the pupil's parents, except for specified purposes or in the interests of the pupil, such as disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.
- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
- To Ofsted inspection teams as part of their inspection
- To any person in connection with the pupil's application for students with disabilities allowance in advance of taking up a place in HE.
- To the Headteacher (or equivalent position) of the setting at which the pupil is intending to start their next phase of education.

## **Monitoring and Review:**

The policy is reviewed every three years, any changes made to this policy will be communicated to all members of staff, parents of pupils with SEND, and relevant stakeholders.

All members of staff are required to familiarise themselves with this policy as part of their induction programme.
