

## HEAD OF ENGLISH

We are seeking to appoint an imaginative, enthusiastic, and committed teacher to lead English in this outstanding selective school for boys. This is a rare opportunity to join a friendly, collaborative and successful department in a genuinely high achieving school.

The department is made up of eight full time specialist English teachers all with their own rooms with excellent facilities. At KS4, pupils study AQA GCSE English Language and English Literature. Results for this are very strong in terms of attainment and are ahead of national for boys in terms of progress. However, English progress is not as strong as all other key subjects in the school, so this represents an opportunity for the right candidate to quickly make their mark. At post 16, we offer A Level English Language and Literature and have established sets in both Y12 and Y13, with excellent results achieved.

This post would suit an aspiring teacher relatively early in their career and looking to climb the career ladder. However, we would equally welcome applications from more experienced colleagues looking for a chance to focus their efforts on leading English in a selective school where you can work with experienced, specialist colleagues and bright and motivated young men. Your experience could be in the selective or non-selective field; what matters is what you believe you could achieve with all the required resources here to assist you.

The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed. This post is subject to enhanced DBS clearance.
