

THE HARVEY GRAMMAR SCHOOL

Cheriton Road Folkestone
Kent CT19 5JY

Headteacher: **Mr S Norman, BA (Hons), NPQH**

HEAD OF HISTORY

We are seeking to appoint an imaginative, enthusiastic, and committed teacher to lead History in this outstanding selective school for boys. This is a rare opportunity to join a friendly, collaborative and successful department in a genuinely high achieving school.

The department is highly regarded in the school and made up of four specialist History teachers all with their own rooms with excellent facilities. At KS4, the subject is very popular and pupils' study AQA GCSE History. Results for this are excellent both in terms of attainment and progress. At post 16, History is one of our most popular subject choices with excellent results achieved by the department. The department also offers Government and Politics A Level, which is led by one of the History specialists, so there would be an opportunity to be involved in the teaching for that subject if it is an interest of the successful candidate.

This post would suit an aspiring teacher relatively early in their career and looking to climb the career ladder. However, we would equally welcome applications from more experienced colleagues looking for a chance to focus their efforts on leading History in a selective school where you can work with experienced, specialist colleagues and bright and motivated young men. Your experience could be in the selective or non-selective field; what matters is what you believe you could achieve for our young men with all the required resources here to assist you.

The post has recently been ably covered by one of our Senior Leaders who is a History specialist, but we are now looking to appoint the right person to lead History on a permanent basis from January. The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed. This post is subject to enhanced DBS clearance.
