OBJECTIVES OF THIS POLICY

This policy outlines what the Harvey Grammar School will do to prevent and tackle bullying. The policy has been developed through the involvement of the whole school community.

The school is committed to developing an anti-bullying culture whereby no bullying, including between adults or adults and children and young people, will be tolerated.

Our school community will:

- Discuss, monitor and review our anti-bullying policy on a regular basis
- Support all staff in the promotion of positive relationships and help them to identify and tackle bullying appropriately
- Ensure that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that they feel safe to learn; and that they abide by the anti-bullying policy
- Report back to parents and carers regarding their concerns on bullying and deal promptly with complaints. Parents and carers will work with the school to uphold the anti-bullying policy
- Seek to learn from good anti-bullying practice elsewhere and utilise support from other relevant organisations when appropriate

DEFINITION OF BULLYING

Bullying is defined as behaviour by an individual or group that:

- is meant to hurt – the person or people doing the bullying know what they are doing and mean to do it
- happens more than once – there will be a pattern of behaviour, not just a ‘one-off’ incident
- involves an imbalance of power – the person being bullied will usually find it very hard to defend themselves

Bullying can include:

- name calling
- taunting
- mocking
- making offensive comments
- kicking
- hitting
- taking belongings
- producing offensive graffiti
- gossiping; excluding people from groups
- spreading hurtful and untruthful rumours

Bullying also includes cyberbullying - the same inappropriate and harmful behaviours expressed via digital devices such as the sending of inappropriate messages by phone, text, Instant Messenger, through web-sites and social networking sites, and sending offensive or degrading images by phone or via the internet.

 - Completing a "bullying concern" form and placing in the box at Reception
 - Contacting local and national agencies for advice/support
- Encourage pupils who are aware of bullying (bystanders) to help address it in a safe way

- Ensure all pupils are aware of the range of sanctions which may be applied against those engaging in bullying
- Involve pupils in anti-bullying campaigns in schools
- Publicise the details of help-lines and helpful websites

LIAISON WITH PARENTS AND CARERS

We will:

- Ensure that all parents and carers know who to contact if they are worried about bullying
- Ensure all parents and carers know about our complaints procedure and how to use it effectively
