## TEACHER OF GEOGRAPHY

We are seeking to appoint an imaginative, enthusiastic, and committed teacher of Geography to join this outstanding selective school for boys. Staffing in the department has been stable for many years and this will be a rare opportunity to join a collaborative and successful department in a genuinely high achieving school.

The Geography department currently comprises two Geography specialists in addition to the Head of Department, housed in a suite of rooms well equipped with excellent ICT facilities.

Geography is a highly popular choice for our boys at both GCSE and A Level and the department delivers excellent outcomes. We would expect the successful candidate to want and enjoy the challenge of teaching across all key stages.

The vacancy is available from September 2026. The post is suitable for an ECT, where you could expect a large amount of specialist support, but is equally suited to a more experienced colleague looking for a new challenge with high achieving and motivated students.

The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed.

This post is subject to enhanced DBS clearance.
